PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Glades Projects Are In The Mill

A call for bids for rebuilding Royal Park Bridge between the Palm Beaches over the inland waterway, is expected to be made early in April, the county commission learned Monday.

County Engineer Steve Middleton in a report to the board, said plans for the bridge are completed and that right-of-way maps are now being drafted.

The bridge along with several other road and bridge projects will be financed by a \$4.3 million bond issue arranged by the commission.

Other projects in the issue and reported on by Middleton, include:

Second section of Muck City Road—right of way being completed and project will be ready for bids in about three weeks; Lake Shore Drive in Canal Point—right of way maps being prepared; 8th Ave. in South Bay—engineers working on relocation of road; Avenue E, Belle Glade, right of way maps 50 percent complete; Boynton Beach West Road—location finally selected with plans being complete; Palmetto Park Bridge—project not yet started; Juno Beach bridge on U. S. Highway 1, now under construction.

Middleton also told the commission that three bridges on State Road 700 in the Glades as well as the Farmers Market road project had been taken from the state road department budget.

Commissioner Paul Rardin, Can- al Point, won commission assurance that the projects will be included in a new budget to be drafted July 1.

Girl Scouts Will Need \$700 In Cash

Pahokee's quota of \$700 in the annual Palm-Glades Girl Scout Council fund-raising drive has been reached, according to a report by Mrs. J. T. Boynton, drive chairman, at a meeting of the Pahokee Neighborhood Association of Girl Scouts at the home of the general chairman, Mrs. Clyde A. Canipe. A vote of thanks was given to those who helped in any way to make the drive a success.

It was decided to purchase a filing cabinet for local Girl Scout records and other needed equipment, the cabinet to be placed in the public library.

Plans were made for Pahokee Girl Scout and Brownie Troops to observe National Girl Scout Week, Mar. 10-16, in celebration of the 45th anniversary of the founding of the Girl Scouts in the United States. During this week the Scouts will wear their uniforms as they attend church as a troop unit on Sunday. The annual sale of Girl Scout cookies will also take place during the week of observance. Mrs. Canipe is in charge of the cookie sales in the Pahokee area.

LICENSE EXAMS

Driver's license examinations will be held in Pahokee on Tuesday and Saturday and the hours are 9 to 12 and 1 to 4:40. Exams will be held in Belle Glade on Monday and Thursday at the city hall and the hours will be the same.

License Exams Are Being Given

Leroy Padgett has been assigned by the Florida Highway Patrol as examiner of applicants for car driver licenses for Pahokee, Belle Glade and Okeechobee City, dividing his time among the three communities.

Mr. Padgett is now giving driver examinations at the Belle Glade city hall on Mondays and Thursdays, at the Florida Highway Patrol station in Pahokee on Tuesdays and Saturdays and at the court house in Okeechobee City on Friday.

Hold Tax Line Says The County Board

The county commission agreed this week that it should hold the line and not raise taxes and urged the county legislative delegation to give careful study to any bill that would boost the county's tax levy.

County Commission Chairman Kenneth Foster said it is the policy of the board to levy only such taxes as are needed to take care of county operations under the jurisdiction of the commission.

Commissioner Paul Rardin pointed out that the commission is sometimes unjustly criticized for tax increases which are brought about by levies outside the board's jurisdiction. He noted that 50 percent of today's tax dollar goes to the school system and that another large slice of the dollar goes to the dozens of special taxing districts which have annual levies.

The entire commission agreed that any taxes spent for expansion of the county's school system is a needed expenditure to keep pace with the growth of the county.

He noted that many demands are made for services which can not be furnished without more tax money.

Foster said services provided to individuals by fee offices should not be charged to the taxpayer but that fees should be raised and costs paid by the individual who benefits from the service.

In other actions the board:

Voted to be represented at a CAB hearing on a request from Southern Airways to provide additional air service for Palm Beach County.

Announced that every effort is being made to patch and repair county roads damaged recently by heavy rains.

Agreed to lend the City of West Palm Beach, voting machines for a municipal election March 26.

Service Award Seal Is OK'ed

Richard S. Black, Palm Beach Junior College sophomore, has been named winner of an art contest to design a service award seal for Palm Beach County.

Black's entry, a triangular design, was selected by a committee headed by Commissioner Paul Rardin, becomes the winner of a \$100 prize which was offered by the county commission several weeks ago for the contest.

The Junior College art student's winning entry was selected from nearly 100 proposals made by Palm Beach County's youthful artists.

Pahokee Is Seeking Charter Changes

The Pahokee City Council in regular session Monday night instructed City Attorney Ralph Johnson to present to the Legislative Clinic Friday a proposed civil service act for passage during the coming session of the State Legislature which would provide for a Civil Service Board for the City of Pahokee, this board to supervise the employment of appointive city officials through competitive examinations and apply the merit system in the promotion of city employees.

Johnson was also instructed to present to the clinic a proposed bill that would provide for a procedure of recall for elective officers of the City of Pahokee upon petition by 25 percent of the electorate. These proposed changes in the city charter were added to the ones voted at the last meeting which would change the offices of chief of police and city clerk from elective to appointed and provide for the employment of a city manager. All of

(continued on page 8)

Jaycees Donate \$1000 To Center

The committee in charge of the fund-raising drive for the Pahokee Youth Center reports the first large donations to the Youth Center Fund has been made by Jaycees' Pahokee Marina Corporation which has contributed \$1,000 in cash to the fund. A goal of \$15,000 has been set by the committee for funds to be raised to finance the construction of a youth center building.

Rardin And Lytal In State Group

County Commissioners Paul Rardin and Lake Lytal have been named to offices in the State Association of County Commissioners which met last week in Tampa for its annual meeting.

Rardin was elected to the association's board of directors and Lytal, who was one of the speakers at the annual meeting, was re-named as chairman of the group's welfare committee.

All-Out Drive In Progress Build New Youth Center

After weeks of preliminary work the originators of the plan for a Pahokee Youth Center are preparing to launch a fund-raising drive for the building of the center, with \$15,000 needed to make the youth center a reality.

The board of directors for the center, composed of representatives of various civic and fraternal organizations in Pahokee and Canal Point that have pledged their support of the center, has selected as a site the plot of land at the corner of Larimore Road and East Main Street across the street from the Pahokee Service Station and negotiations are under way to purchase this lot.

Plans have been drawn up for a building to contain 1,795 square feet of floor space and a soda fountain has already been donated to the center. A charter making the Youth Center a non-profit organization is now in the works.

The 16 members of the board of directors who are combining their efforts to establish the center are Dow Fitzgerald, representing the Pahokee BPOE Lodge 1638; Mrs. Lillian Beverly, Teen Town; Mrs. Virginia Crossman, Xi Alpha Mu Chapter; BSP; Charles Brown, Junior Chamber of Commerce; Mrs. Helen Brown, Pahokee PTA; W. K. Aldridge, Pahokee Rotary Club; Osceola Upthegrove, Canal Point PTA; Kyle Scott, Canal Point Lions Club; Gene Pennington, Pahokee Lions Club; Mrs. Belle Alderman, Pahokee Garden Club; Mrs. Gertrude Williams, Woman's Club; Mrs. Doris Sasser, Business and Professional Women's Club; J. W. Thomas, Chamber of Commerce; Mrs. Josephine Phillips, Beta Omicron Chapter; BSP; Melvin Spooner, American Legion Post 90, and Bobby Mobley, Pahokee High Student Council.

On the special committee in charge of the fund-raising campaign are Charles (Sonny) Brown, American Legion Post 90, and Bobby Mobley, Pahokee High Student Council.

The committee is also appealing to the children themselves to assist in the campaign to raise the necessary funds to build the center by suggesting, "Boys and Girls, mow those yards, baby sit, give up your date this week and earn some money so that you too can make contributions to your Youth Center. Let's build a place!"

Cattlemen's Field Day Set March 21

The Everglades Experiment Station is holding its annual Cattlemen's Field Day on March 21. Preceding at the morning and afternoon sessions will be Assistant Palm Beach County Agricultural Agents John H. Causey and Kent R. Price. The day's activities will begin at 9 a. m. with assembly at Mayo Pavilion east of Belle Glade.

The morning program will consist of discussions on the use of antibiotics, and hormone supplements and herd management. This will be followed by a field trip which will provide opportunity for those interested to see the breeding herds, grazing experiments, and feeding trials with steers on pasture and in the dry lot.

Lunch will be served at the Mayo Pavilion by the Palm Beach County Cattlemen's Association.

The afternoon session at the Mayo Pavilion will consist of discussion on herd management, pastures, silage, supplement feeds and minerals and insect control. These discussions will be followed by a panel discussion at which time the cattlemen will have opportunity to present their questions and these questions will be answered in light of present knowledge by a panel of research workers and extension men from the various experiment stations over the State.

The Field Day this year is being held at a time which is near the termination of the steer feeding trials. Considerable interest has been shown in recent years not only in supplemental concentrated feeds

District Contest For Band Soloists

District One contests for soloists and ensembles of the Pahokee High School Band will be held in the high school auditorium Thursday, March 21, at 2:15 p. m., with Eric Berg, director of bands at Lakeland High School to serve as judge.

Soloists who will perform in these contests include Fred Blakey, baritone horn; James Stamps, trombone; Glenda Faye Russom, piano; Kenneth Williamson, snare drum; Lory Ann Rockwell and Glenda Faye Russom, baton twirling.

Competing in ensemble performances will be Kenneth Williamson and Kenneth McIntosh, snare drum duet; Jill McIlwain, Robbie Walker and Shirley Kincaid, clarinet trio; Nancy Thomas and Cindy Friend, baton twirling duet; also Jean Brown and Martha Ammons, baton twirling duet.

The annual District One contests for the PHS Band in concert playing, sight reading and marching will be held at the school Friday, March 29, starting at 2:45 p. m., according to Bandmaster Robert O. Lampi.

Bandmaster Robert O. Lampi, director of the Pahokee High School Band and secretary-treasurer of the Florida Bandmasters Association, is serving as one of the adjudicators for the District Four contest for high school bands being held in Apopka this Friday.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The Palm Beach County Commission Tuesday voiced strong opposition to a proposed legislative act that would take Palm Beach International Airport into the West Palm Beach city limits.

The act was suggested earlier by E. V. Faircloth, a member of the West Palm Beach commission.

Commissioner Lake Lytal, who spoke for the county board, said on two occasions, he and Chairman Kenneth Foster discussed the issue with Faircloth and "dozens of reasons were given as to why the county was not interested in the proposal." Lytal heads a county committee which works with municipalities on issues of interest to both groups and it was during one of the sessions that the proposed bill was first suggested.

Lytal, in listing the county's objection to the plan, said the board

is interested in keeping the airport free from any restrictions that might effect its use in the development of a new jet airport here.

He said he was quite certain the Airforce is not interested in adding any restrictions that would interfere with its military operations.

Lytal added that the city has nothing to offer that the base does not already have in the way of a water system, trash disposal, sewer system or fire protection.

As property owners, Lytal declared, the county is opposed to any further attempt by the city to annex the land. "We don't want any interference with the county's plan for a new airport."

The board instructed County Attorney Harry Johnston to oppose any city legislation proposing to annex the airport at the county legislative clinic this week.

Cinematic Chatter

By Malcolm Millar

Hello everybody! June Allyson is a lovely example of courage that triumphed over heart break and a physical handicap that once threatened to make her a cripple for life. At the age of nine, June suffered spinal injuries when a heavy branch fell from a lightning struck tree, hitting her. She was not only an invalid for many long months, unable to walk and barely able to move, but her face also was badly scarred. In time June began a series of exercises, including swimming, which eventually restored her to full health. No one today would ever guess she had almost been a hopeless cripple. Determined

ed to lick her childhood affliction, June decided to become a dancer. She could not afford dancing lessons but she "studied" under one of the world's most famous dancers by going to see Fred Astaire movies. She saw Astaire's "The Gay Divorce" 18 times, for example and mastered every one of the dancing star's routines by practicing them at home. June became a professional dancer by pretending she was more than her 15 years, and winning a place in the chorus line of a Broadway musical, "Sing Out The News." This was followed by other chorine jobs on Broadway and at the famed Copacabana night club. She won a solo spot in the Broadway production, "Panama Hattie," and understudied the star of the show, Betty Hutton. One night Betty could not go on and June got her big chance; she was seen by Hollywood and Miss Allyson has been a consistent winner in the popularity polls conducted by movie exhibitors and fan magazines. See you at the movies—Mal.

Slate Officers For BPW Club

Mrs. Ethel Johnson, president of the Pahokee Business and Professional Woman's Club, appointed Mrs. Betty Gordy chairman of the club's nominating committee at a regular business meeting in the Civic Center. Mrs. Gordy will report her committee's recommendations for a new slate of officers at the May business meeting of the club.

Picnic Dinner Marks Birthday

A picnic dinner and family reunion was held at the home of Mr. and Mrs. Frank Friend, the reunion being in celebration of the March 7th birthday anniversaries of Mrs. Friend and her son, William Nason, of West Palm Beach. Others attending were Mrs. William Nason, Mr. and Mrs. Richard Nason, Mr. and Mrs. W. O. Moss, Mr. and Mrs. J. L. Tyson, Jr., and Mr. and Mrs. James Halbrook and families.

APPRECIATION

The family of Mattie M. Friend deeply appreciates the many acts of kindness and sympathy shown to them, the flowers, the memorials to the First Methodist Building Fund of Pahokee and donations to the American Cancer Society, the food and the many sympathy cards received. All of us are grateful for the many cards, letters, flowers, your prayers, and the many expressions of love given to Mom during her long stay in the hospital. These sweet memories are cherished by all of us. May God bestow his richest blessings on each of you.

Sincerely,
Esther Hundley.

Science Center In St. Petersburg

ST. PETERSBURG — William Guild, Florida's "Pied Piper of Science" is becoming nationally famous for his wonderful work with children in awakening their interest in science and encouraging them to take up scientific studies. The Dayton (Ohio) Museum of Natural History has invited Mr. Guild to participate in a special science promotion in Dayton, Mar. 14 to 24.

This will be Mr. Guild's seventeenth presentation of Successful Science Projects and students and teachers of Dayton will gain much from having Florida's science leader stage his presentation in their city.

Hundreds of St. Petersburg boys and girls know Mr. Guild as "Uncle Bill." He directs the Science Center in the Sunshine City and has interested local youngsters in the study so worth while scientific subjects and experiments.

In addition to conducting the science event in Dayton Mr. Guild will be featured on radio and television programs.

FIVE DAY WEEK

Local Draft Board No. 128, Belle Glade, Florida will begin a 5-day work week on Friday of this week.

Mackey Business On The Increase

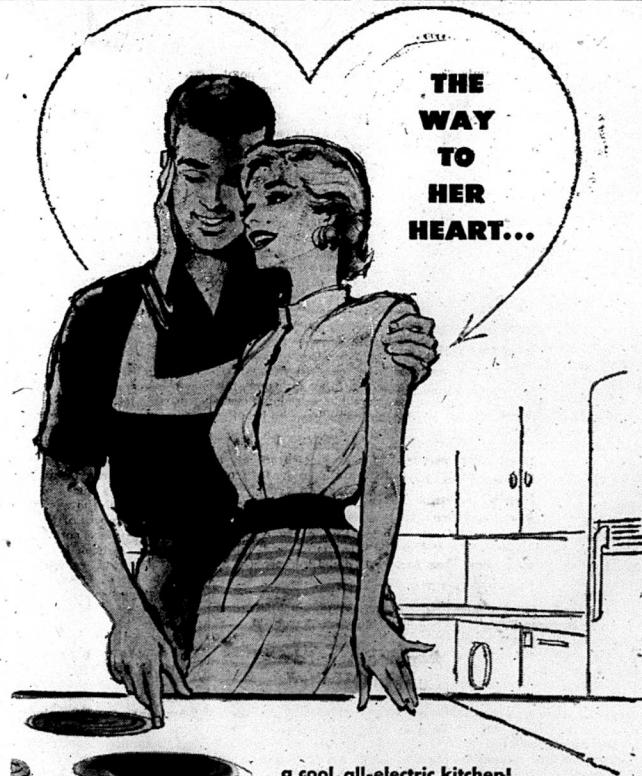

FORT LAUDERDALE — Statistics released recently by Col. Joseph C. Mackey, president of Mackey Airlines, show that traffic to Nassau handled by all carriers in January, 1957, was off six per cent but the number of passengers flown there in Mackey planes increased 25 per cent.

His statement also pointed out that in the two months Mackey has been serving Grand Bahama, passenger traffic has increased more than 100 per cent over the same period last year when service was provided by another airline.

Mackey operates between Miami, Fort Lauderdale, West Palm Beach, Tampa and St. Petersburg in Florida and Nassau, West End, Bimini and Eleuthera in the Bahamas.

The airline has now completed four consecutive years without an accident.

The result of the Episcopal Church Development Fund drive in the congregation of St. John the Apostle Church will be announced at church next Sunday by the Hon. E. S. Roberts, senior warden and drive chairman. The campaign was inaugurated with a fish fry at the church last Friday night.

a cool, all-electric kitchen!

Here's the coolest possible kitchen combination for no summer days ahead:

- electric range—all heat goes into the cooking...
- refrigerator-freezer—full freezer advantages in space-saving unit...
- water heater—heats the water—not the house!

And while you're planning—include the many other electric helpers that make work easier—another way to stay cooler.

Talk over your kitchen plans with your ELECTRIC APPLIANCE DEALER.

FLORIDA POWER & LIGHT COMPANY

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the Advertising Council and

Party Compliments Mrs. Zaccagnino

Mrs. Donald Zaccagnino, who was Louise Hatton before her recent marriage, was complimented at a Coke party held Saturday afternoon at the home of Mrs. B. Elliott in Pahokee. Assisting Mrs. Elliott as co-hostesses were Mrs. Lee Wroten, Mrs. C. L. Stuart, Mrs. Stanley Hooks, Mrs. Paul Watson, Mrs. M. P. Stanley, Mrs. C. L. Shirley, Jr., and Mrs. R. F. Hurt. Miss Dorothy Hatton, sister of the honoree, was in charge of the guest book while her sisters-in-law, Mrs. John Hatton, Mrs. Ray Hatton and Mrs. John Hatton, Jr., assisted with the serving.

LENTEN SERMONS IN BELLE GLADE EPISCOPAL CHURCH

Lent, which began at St. John the Apostle Church last Sunday with a four day preaching mission by Father W. Scott Root of Vero Beach, continues next Sunday with special Lenten sermons by the vicar, Father John Clarence Petrie. At the 9 a. m. celebration of the Holy Eucharist Father Petrie will preach on St. Matthews 5:17. "Think not that I am come to destroy the law or the prophets". At 8 p. m. the service of Evening Prayer will be held with Father Petrie preaching on the parable of the Rich Fool.

M. M. Martin, Jr., showed a film on "The Yellowstone National Park" at the dinner meeting of the Canal Point Lions Club Monday night. Osceola Utegrove was in charge of program arrangements. President O. H. Sheppard presided.

Mr. and Mrs. George Apelgren left Sunday for their home in New Britain, Conn., after spending the season in Pahokee.

Mr. and Mrs. W. D. Davenport and daughter, Cindy, visited Mrs. Davenport's parents, Mr. and Mrs.

a castle in the air costs nothing —but you can't live in it!

**Make your dream house come true! It's easy
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds. Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the easy way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest as current income, and you know about Series H Bonds, which pay dividends annually by Treasury check,

Choose your own savings goal

	If you want approximately	\$5,000	\$10,000	\$25,000
Each week for 9 years and 8 months, more.....	\$8.50	\$16.75	\$41.00	
Each week for 10 years and 6 months, more.....	\$9.75	\$19.50	\$48.75	

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Illustrations are not drawn to scale.

Alcohol Will Be Studied For Week

Alcohol Education Week is being observed in the churches of the Southern Baptist Convention March 17-22. A series of graded materials prepared by the Training Union Department are being used. These include study course books as follows.

"Shadow Over America," by John D. Freeman, for adults.
 "Alcohol and Christian Influence," by C. Aubrey Hearn, for Young People,
 "It's Up To You," by Dorothy Severance, for Intermediates.
 "Highways To Health," by Mary Jane Haley, for Juniors, and Pleasing God With My Body, for Primaries and Beginners.

These books will be offered next week in ten 45 minute class periods—Monday-Friday 7:30 to 9:00 p. m. at the First Baptist Church in Pahokee. Faculty is as follows:

Adults—E. M. Canup

Young People—James E. Boyd,

Intermediates—Mrs. B. M. Canup.

Juniors—Mrs. E. B. Gamble.

Beginners and Primaries—Mrs.

Robert Woofter and workers in her Department.

E. B. Gamble, Training Union Director of the local church, states that a film "Bible on the Table" will be shown at the Training Union Hour this Sunday night in preparation for next week's study. Also on Thursday night Harry McCall from Camp Ridgecrest for Boys will present scenes from Ridgecrest and preview the summer Camping Program at Ridgecrest.

According to latest information, there are approximately 484,000 saloons and liquor stores in the United States—almost twice as many as the number of churches of all denominations.

Outlets for alcoholic beverages outnumber grocery stores by nearly 75,000.

A medical scientist has established that one ounce of alcohol retarded muscular reaction 17.4 per cent, increases time to make a decision 9.7 per cent, and increases errors due to lack of muscular coordination 59.7 per cent.

The Pastor said in his Sunday evening sermon that "the drinking of alcoholic beverages is not simply one problem but many. It is a health problem, an economic problem, a law-enforcement problem of gravest proportions." Mr. Gamble stated that the entire community is invited to join in this week of study of alcohol and its effect upon the human mind and body.

Woman's Club To Name Officers

At the Wednesday business luncheon meeting of the Pahokee Woman's Club, with Mrs. James H. Wilson, president, presiding, Mrs. Robert J. Schroder, Mrs. Leon Spooner and Mrs. George Tucker, Jr., were named on a nominating committee to recommend a new slate of officers and report at the March 27th meeting.

The club voted a \$11 donation to the Seminole Indian college scholarship fund and a \$10 donation to the Girl Scout Council to go into a "campership" for a Scout would be unable to attend summer camp without financial assistance.

Mrs. Schroder was appointed to have charge of the safety deposit box which the club voted to rent from the local bank for the safe keeping of important club papers.

Mrs. George Tucker, Jr., reported the club netted \$26.25 from its sponsorship of the recent County Federation luncheon in Pahokee, this sum to go into the regular scholarship fund.

Mrs. W. H. Jones, Jr., past president, who is moving to West Palm Beach, presented the club with a folding sectional luncheon table as a parting gift. Mrs. Adeline Wroten was welcomed as a new member.

It was announced Principal Clyde A. Canipe will be guest speaker at the March 27th luncheon program which will be presented by Mrs. Schroder and her international relations committee.

CARD OF THANKS

Christian Science Group Of Canal Point

The fact that the man of God's creation is not at the mercy of accidents, chance, or discord of any kind will be emphasized at Christian Science services Sunday.

Scriptural readings in the Lesson-Sermon on "Substance" will include the account of Paul's healing of Eutychus "who fell down from the third loft, and was taken up dead" (Acts 20:7-12).

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (424:5): "Accidents are unknown to God, or immortal Mind, and we must leave the mortal basis of belief and unite with the one Mind, in order to change the notion of chance to the proper sense of God's unerring direction and thus bring out harmony."

The Golden Text is from Ecclesiastes (3:14): "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it."

Four Rushees Honored At Dinner

Members of the Beta Omicron Chapter, Beta Sigma Phi Sorority, entertained with a progressive dinner a compliment to the four rushees who are being received into membership. Mrs. Betty Hatton, Mrs. Jean Salvatore, Mrs. Shirley Shirley and Mrs. Lois Lane.

The dinner began at the home of Mrs. Clark Wilkinson with the serving of fruit punch. Next the main courses of the dinner were served at the home of Mrs. Willa Moss and the meal ended with a dessert course at the home of Mrs. Lillian Hatton.

The three homes where the dinner was served were beautifully decorated with arrangements of spring flowers for the occasion. Husbands of members were guests. Mrs. Valerie Davis and her social committee were in charge of dinner arrangements.

I wish to thank all my friends for their prayers, and the lovely flowers, and cards which were sent during the illness and death of my mother.

Mrs. Carrie Humphries

Summer Fashions Will Be Shown

A fashion show, "Summer Fashions for Youth," for children from two to 18 years will be held in the recreation hall of the Pahokee Elks Club Friday night, April 5, from 7:30 to 9 p. m., under the sponsorship of the Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, as a benefit fund-raising project.

Through the courtesy of Sue's Dress Shop, which is supplying all outfits for the show, the newest styles in summer wear will be modeled by 23 teenagers and 15 other children from two to 10 years old. Tickets for the show will be 50 cents for adults and 25 cents for children, all proceeds to go into the Pahokee Youth Center Fund. The show will be followed by a youth dance, admission to the dance to be 50 and 35 cents.

CLASSIFIED ADS PAY BIG DIVIDENDS

Ridgecrest Man To Speak To Rotes

Speaker at the Pahokee Rotary Club on March 21st will be Harry McCall, Jr., Director of Ridgecrest Camp for Boys, of Ridgecrest, N. C. Invited guests for the program will be 13 Pahokee boys who attended the second session of this camp during last summer. Mr. McCall will interview parents and boys at 8 p. m. that night at the Baptist Church, and all parents and boys are cordially invited to attend this session.

MUSICAL COMEDY

The Beta Omicron Chapter of the Beta Sigma Phi Sorority will present a musical comedy, "Talent Takes a Holiday," in the Pahokee High School auditorium Friday night, April 12, proceeds to go into the Pahokee Youth Center Fund. Malcolm Millar will direct the comedy and serve as master of ceremonies.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESIDENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure; it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the Advertising Council and

Conservation Is Flood Dist. Topic

Fish and wildlife conservation is one of the many purposes served by the Central and Southern Florida Flood Control District, according to J. Abney Cox, board chairman.

Chairman Cox told a joint meeting of the FCD board and the Florida Game and Fresh Water Fish Commission that, "Improvement of conditions for fish and wildlife resources in central and southern Florida will result from FCD works."

The joint meeting was preliminary to the twentieth annual observance of National Wildlife Week scheduled for the period March 17-23.

The board chairman in outlining the cooperation of District, Federal and State agencies in natural resources conservation explained that full development of three conservation areas comprising 1,344 square miles of land within the FCD is expected to increase productivity of fish and wildlife resources.

The U. S. Fish and Wildlife Service of the Department of the Interior is cooperating with FCD in developing Conservation Area No. 1. This 216 square mile area situated west of State Road 7 in Palm Beach County not only provides wintering grounds for waterfowl, but serves as a storage area for water in the overall District plan.

Management of Conservation Areas No. 2 and 3, extending south from the Broward County line and westward to Everglades National Park, is the responsibility of the Florida Game and Fresh Water Fish Commission. Plans are being formulated to use these areas for recreation and also to increase the productivity of fish and wildlife resources.

The approximately 860,000 acres contained in the conservation areas are detention basins in which water from rainfall, run-off from the northern Everglades, and outflow from Lake Okeechobee is stored.

The impounded water not only maintains conditions for improving fish and wildlife resources, but conserves water for use in drought, maintains ground water tables and inhibits salt water intrusion.

Mr. and Mrs. W. D. Howard and son, Billy, returned recently from a visit with their son-in-law and daughter, Mr. and Mrs. Charles M. McCurdy, in Gainesville.

Cattlemen's Field—

(continued from page 1) and minerals but also feed additives such as stilbestrol and aureomycin. The steer breeding trials this year have been set up to include these. Silage is also included in the dry lot feeding tests. Cattlemen will have opportunity to observe the condition of animals held under these various conditions for a period of 120 days. A large crowd is anticipated with cattlemen coming from all parts of the State.

Animal and Pasture Research Workers will attend from the Main Station in Gainesville, Range Cattle Station, North Florida Stations and West Florida Stations as well as extension workers from Gainesville and various counties of the State. All of these men will make themselves available to the cattlemen in attempting to provide answers for questions that may be raised during the various discussions.

Glenda Russom Is FFA Sweetheart

Glenda Faye Russom, Pahokee High School Sophomore, won the honorary title of 1967 Sweetheart of the Pahokee Chapter, Future Farmers of America, at the FFA Sweetheart Contest and program of entertainment held in the high school auditorium Friday night. Miss Russom, who will represent the Pahokee Chapter at the sub-district FFA sweetheart contest at For Myers on April 18, showed versatility in displaying her talents by playing a piano solo and a saxophone solo, and giving a baton twirling performance.

Runners-up Janet Upthegrove, eighth grade student played a piano solo and gave an exhibition of trampoline acrobatics, and Sylvia Parrish, Freshman, twirled the baton, played a piano solo and baked cookies.

Also on the program were comedy skits and presented by the eighth and ninth grade students.

Contest judges were E. M. Lively and J. M. Munroe of Belle Glade and Carl Crawford of Canal Point.

PLEDGED TRI-DELTA

Miss Annette McIntosh, daughter of Mr. and Mrs. Harry McIntosh of Pahokee and a student at Florida State University at Tallahassee, was pledged to the Tri-Delta sorority on February 28th. Miss McIntosh is a graduate of Pahokee High School, having graduated in 1956.

NOTICE TO CATTLE OWNERS

ALL CATTLE, UNDER THE FLORIDA STATUTES, ARE SUBJECT TO A PERSONAL PROPERTY TAX. The law requires all owners of cattle or persons with cattle in their custody to make a tax return to the Tax Assessor in the County where cattle are located. If no return is made by the owner or custodian it is the duty of the assessor to assess the cattle from the best information that he has available.

THIS IS TO ADVISE THAT I WILL BE AT THE BELLE GLADE CITY HALL ON TUESDAY AND WEDNESDAY, MARCH 19TH AND 20TH, for the specific purpose of taking tax returns on cattle. I respectfully urge all those owning cattle, or having cattle in their custody, or control, to call at the City Hall on the above date and make your return.

It is not the desire of this office to PENALIZE anyone, but a 10% PENALTY will be added to any assessment made on cattle where no return is made by the owner. I shall appreciate your cooperation.

James M. Owens, Jr.

COUNTY ASSESSOR OF TAXES

By: T. R. Hoskinson, Chief Deputy
Personal Property Assessor

Uses Are Told Of New Youth Center

Chuck Williams, director of the Wauchula Youth Center and coach of the Wauchula High football team, was guest speaker at the March meeting of the Pahokee Parent-Teacher Association held in the high school auditorium Monday night. Introduced by Mrs. Jewel Brown, the speaker told of the activities at the Wauchula Youth Center which provides wholesome recreational facilities for all children of school age and explained the varied and interesting programs which make the center very popular with children of all ages.

Mrs. Brown, who is social committee chairman for the proposed Pahokee Youth Center, introduced the other officers who are serving with her, including Dow Fitzgerald, president; Mrs. Al Beverly, vice president; Mrs. Earl Crossman, secretary; Charles Brown, treasurer, and W. K. Aldridge, building committee chairman. These officers and other members of the Youth Center board of directors are representatives of various civic and fraternal organizations in Pahokee and Canal Point which have pledged their support of the center.

It was reported that the Pahokee Junior Chamber of Commerce through its Pahokee Marina Corporation has already donated \$1,000 for a youth center building. The board has selected a centrally located plot of ground on East Main St. as a desirable site for the building and negotiations are now under way for the purchase of this land, it was reported at the Monday night meeting of PTA.

At the PTA business session, with Mrs. Elsworth Keen, president, presiding, Mrs. John A. Dulany, Mrs. Paul Sasser and Osceola Upthegrove were named on nominating committee to recommend a new slate of PTA officers and report at the April meeting.

Mrs. J. R. York, assistant principal and teacher at Pahokee Schools for many years, was honored by the Pahokee PTA when it voted to present to Mrs. York a \$25 honorary life membership in the Florida Congress of Parents and Teachers Association. Mrs. York was scheduled to receive this membership Wednesday at the PTA Ninth District meeting at Fort Pierce.

Miss Florence Dale, formerly of West Palm Beach, was introduced as new director of physical education for girls at the high school, succeeding Mrs. Rita Sims who has been granted a year's leave of absence.

Plans were made to send delegates to the PTA County Council meeting at 8 p. m., March 19, when new officers will be elected.

Mrs. Herman Kautz, treasurer, reported a balance of \$934.93 in the PTA treasury.

It was announced the new books for the PTA shelf at the school library have arrived and are now available for use by anyone interested in this literature.

The monthly attendance awards were received by Mrs. Edna Mason's combined fifth and sixth grade room at the elementary school and by the ninth grade at the high school.

Following the meeting refreshments were served in the home economics rooms by Mrs. Lester Hand, hospitality chairman, and her hospital committee.

School Board At State Meeting

Three members of the Palm Beach County School Board, Henry O. Earwood, Chairman, of Belle Glade, Thurmond W. Knight, Pahokee, and Jack Horner, Palm Beach, accompanied by the new School Board attorney, Marshall M. Crisler, left Tuesday to attend the annual Florida State School Board Association convention at Tampa, which began Wednesday, March 13th.

Mrs. Elizabeth Hand, board member from Delray Beach, also attended, going by plane.

Mrs. Wayne Owens was a visitor in Plant City and Lakeland this week.

Pahokee Is Seeking—

(continued from page 1) these acts, if passed by the Legislature will be subject to a referendum vote by the city electorate.

Police Chief Leon Guthrie was instructed to collect for all delinquent occupational licenses by March 14. Those who have not paid their license fees by that date will be issued warrants for appearance of a special session of the city court Friday night, March 15. Attorney Johnson was asked to obtain necessary data preparatory to the complete revamping of the city's occupational license fees.

County Commissioner Roy Michael appeared before the Council with a proposal that the Pahokee city inspector serve as deputy zoning inspector for the County Bounding Board for the inspection of new construction in the Pahokee-Canal Point area outside the city limits of Pahokee. The Council expressed its approval of this proposed plan.

A proposal by Hunn, Nutt and Associates, appraisal firm, to appraise all new buildings erected in the city since the firm made its complete appraisal survey for tax assessment purposes was accepted. This service, which will also include necessary re-appraisals and professional advice at appraisal hearings, will cost the city \$850.

An ordinance providing for a change in the zoning of the site for the federal low-rent housing project on McClure Road from agricultural to residential R-2 was adopted.

ed following a public hearing on the zoning change. Upon request by Robert Apelgren the Council voted to advertise for a hearing next month on the proposed change of zoning of another plot bordering McClure Road from agricultural to commercial. The public hearing on the proposed abandonment of the plat for the Almarie Subdivision was set for March 25.

Police Chief Guthrie announced that the drive to pick up all unlicensed dogs will get under way Monday.

The Pahokee Marina Corporation presented a check for \$292.53 to the city as the rental fee on Pahokee Harbor for February. PMC reported that, during February it collected from more than 15,000 adults and nearly a thousand children admission fees to the city breakwater which has become one of the most popular fishing sites for speckled perch in South Florida.

The Council voted to sell the present concessions building at the entrance of the breakwater and construct a new building at the top of the levee on a site approved by the County and State Health Departments.

YWA BANQUET

Members of the Young Woman's Auxiliary of the Pahokee First Baptist Church were hostesses at a mother and daughter banquet held recently at the church. A special program of music was presented by Mrs. Donald Avery, Miss Patsy Bachelor and Miss Patricia Crady.

She rides all over town...

...but she runs
all over the

house!

She wouldn't dream of walking to the corner store. Or to the bridge club half a block away. Yet she has to race through the house when the one telephone rings. Doesn't make sense, does it? Not when it's so easy to have additional phones at her fingertips in several rooms. In smart colors, too, that do so much to pretty up a home. Get the additional telephones you need and save steps and time. Remember—when a phone's handy, everything is.
